PROFESSIONAL SUMMARY

Performance-focused Front-End Developer with over a year of experience specializing in React.js and Next.js. Proven track record in architecting scalable web applications, optimizing web performance, and managing complex application state using Redux and Zustand. Adept at translating Figma designs into pixel-perfect, fully responsive user interfaces with clean, maintainable, and SEO-optimized code.

TECHNICAL SKILLS

- **Frontend:** JavaScript, React.js, Next.js, React Native, Tailwind CSS, Bootstrap
- **State Management:** Redux, Zustand
- **Tools & Platforms:** Git, GitHub, Vercel, Figma

PROFESSIONAL EXPERIENCE

Frontend Developer (Intern) | Creative IT Institute *Feb 2026 – Aug 2026* | Dhaka, Bangladesh

- Engineered and delivered 10+ dynamic web applications using React and Next.js, collaborating effectively within a 6-member cross-functional team under tight project deadlines.
- Integrated RESTful APIs for real-time data fetching, ensuring continuous data synchronization and seamless client-side interactivity.

PROJECTS

Planto Web | *JavaScript, React, Next.js, Tailwind CSS*

- Architected a responsive, mobile-first web interface for a plant showcase platform by designing highly reusable UI components.
- Integrated JSON APIs to dynamically fetch, map, and render complex plant data, ensuring a seamless and interactive user experience across all devices.

CreativeWeb | *HTML, JavaScript, Tailwind CSS*

- Developed a scalable web application leveraging JavaScript and Tailwind CSS to deliver a responsive user journey.
- Implemented a robust mobile-first design strategy, eliminating cross-browser layout discrepancies and ensuring pixel-perfect UI across mobile, tablet, and desktop views.

ACHIEVEMENTS

- **Production Deployment:** Successfully delivered the CreativeWeb platform to the production team, reaching final deployment readiness.
- **Development Consistency:** Maintained a 100+-day consecutive commit streak on GitHub, demonstrating disciplined coding habits and active technical growth.
